

## *Windmill Christian Centre Refurbishment*

We are making good progress in our aim to make Windmill Christian Centre a comfortable and affordable centre that brings the good news of Jesus Christ to thousands each year.

To continue the momentum of upgrading we are seeking ways to achieve progress by finding volunteer help and by raising additional funding. Please read this bulletin to find out how we can help you and you can help us!

## *Bookstall at Windmill*

Due to the recent decline in Christian bookshops on the high street we have extended the range of items stocked at our bookstall. These items are at discounted prices and any profits go to help the refurbishment of the centre.

We have a wide variety of Bibles, many books including: studies, commentaries, fiction and children's titles. Also stocked are a large range of greetings cards, small gift items and Christian themed clothing.

Normally there is someone in attendance at the centre but it may be best to call prior to your visit.

## *Free Nights at Windmill*

If you are part of a group who use Windmill or are considering booking a visit then you can gain FREE NIGHTS at the centre and make your visit cheaper than last year!

We are looking for help with our refurbishment program and are looking to exchange a GOOD DAYS WORK for a FREE NIGHT. These can be accrued one night at a time or if a team can visit to carry out a specific task, batches of FREE NIGHTS can be accrued.

Each daytime hour worked can be exchanged for a night time hour. For the purposes of this promotion a normal night consists of 8 hours (yes! 8 hours!)

Alternatively you can just volunteer your services for free as all our current volunteers do!

During our off peak period (Oct-Mar) it is also an option for a free break at Windmill for volunteers! If you have the ability to volunteer help mid-week then FREE accommodation & breakfast can be provided.

## *Bedroom Refurbishment*

We have started a bedroom refurbishment program. This will involve converting a current unused room into a new en-suite bedroom, then completely remodelling our existing 15 en-suite bedrooms. We would love to complete this work in 2-3 years but financial constraints are likely to delay this significantly. The anticipated costs for each room are £2000 plus 30 days labour.

Can you help by giving an amount regularly, or sponsoring a room, or praying that the Lord will raise up the volunteers and finance to make this possible?

Remember Gift Aid forms can be provided, which allow us to reclaim tax adding an extra 28% to any gifts received.
